### Empire Of Booze

Empire of Booze is a loose history of Britain, cleverly and humorously told through its contributions to alcohol, charting the rise of British power from its small corner of Europe to global preeminence. Each chapter features a historical period and a drink—tracing its origins and examining its impact on British culture, literature, science, philosophy and religion.

### Empire of Booze: Jeffreys, Henry: 9781783522248: Amazon ...

Empire of Booze will be a loose history of Britain told through booze. Each chapter will focus on a drink and a period, but it will also look at how these classic drinks are faring today and will include recommendations so you can drink your way through the book. Britain's legacy has been much argued over.

### Empire of Booze by Henry Jeffreys: Unbound

Simon Woolf writing in Palate Press has this to say: "Joking aside, "Empire of Booze" is that very rare beast – a non-fiction book written largely about wine (or wine-derived alcoholic drinks) that manages to be witty without being contrived, accessible without talking down to anyone, and educational without being preachy.

### Empire of Booze | Henry's World of Booze

In Empire of Booze Henry Jeffreys traces their contribution to the alcoholic drinking habits of the world. His claim is that Britain, rather than, say, France or Germany, "the country with the...

### Empire of Booze by Henry Jeffreys - raising British ...

Empire of Booze. There is a picture that hangs in the National Portrait Gallery in London by Van Dyke. It is of a balding moustached man in an ornate suit of armour. He looks a louche sort of fellow; the kind of pleasure-seeking individual who could have provoked a puritan revolt with a raised eyebrow.

### Excerpt from Empire of Booze by Henry Jeffreys: Unbound

Alcohol, also known as booze or hooch was a substance that had mind-altering effects on certain organic species. Various type of beverages consumed by sentients such as ales, liquors, and wines, contained alcohol. Depending on its strength, an alcoholic drink could impart a burning impression in the mouth and digestive system. Excessive alcohol consumption caused temporary intoxication (or ...

Alcohol in the Middle Ages spanned hundreds of years. The Middle Ages are also the Dark Ages or the Medieval Period. The Middle Ages was a period of almost one thousand years. It's between the fall of Rome (476) and the beginning of the Renaissance (1300). With the fall of the Roman Empire, it could no longer protect the population.
